Great Summer Fun - Don't Miss It

WELCOME

The Perth Motorplex and the West Australian Car Club are proud to run the third series of the Summer Autocross Series. To be run on Wednesday evenings in conjunction with the popular Whoopass Wednesday street drags. The Autocross will be run on the Speedway Circuit and competitors will get the opportunity to throw it sideways around the Speedway weaving through chicanes and deviations.

Autocross is open to Rally, Autocross, Off Road and Street Cars. Rally and Off Road drivers will have the opportunity to use their cars over the summer months and the Autocross and Street cars will have the opportunity to test their skills against some of WA's best rally drivers.

This is a great experience for competitors to enjoy competing under lights at one of Australia's premier speedway tracks in the metro area. It is an ideal opportunity to bring your family and friends along and enjoy an evening of competition. Spectators will also be able to wonder over and see the drag racing at the same time.

Each competitor will receive an additional pit pass which will be available to competitors at the Ticketing gates. Family and friends can either enter with the competition crew or if they are in a separate vehicle park in the public car park. They will then be able to return to the Pit area. Only competitors and service crew will have access to the Staging Area. Entry to the complex is Adults \$15.00, Children 5-15 year \$7.00 and Under 5 Free. A Family Pass (2 + 3) is \$35.00.

Gates officially open at 5.00pm for competitors but in most cases they will be open earlier than this. Drivers will be able to arrive as late as 7.00pm and still have a run, which will make it easier for those struggling to get off work on time. Naturally, the earlier you arrive the sooner you can start competing and the more chance you will have of getting your 4 runs

The Service Park (Pits) is near the entrance to the Speedway track. It is on a grassed area with tarmac adjoining roads. Room is available for trucks and trailers. Competitors are asked to service on a ground sheet and to leave all dirt on the tarmac roads so it can be returned to the track after the event.

Full catering facilities will be open on the night.

We look forward to the start of another exciting Autocross series.
